Bengaluru , Karnataka | 8298716731
samikshak391@gmail.com

Profile

Inquisitive student who loves coding and learning new skills, seeking roles related to information science engineering. Good at communication, sports, extracurricular activities and have experiences in event management.

Work Experience

BMSIT&M Alumni Association Co-lead | 08/2021 - 11/2021
Got the opportunity to work as the co-lead of Alumni Association which helped me get better at my leadership, inter-personal and people management skills .

Bmsit Connect Student Ambassador | 03/2021 - 05/2021
Served as student ambassador to conduct and coordinate various activities happening at the college. This helped me improve my communication and event management skills.
